Newsletter-2023

PROF (DR.) PRABHAT KUMAR SINGH
VICE CHANCELLOR

YEAR 2023
VOLUME 1

UPUMS

Uttar Pradesh university of medical sciences
Saifai, Etawah

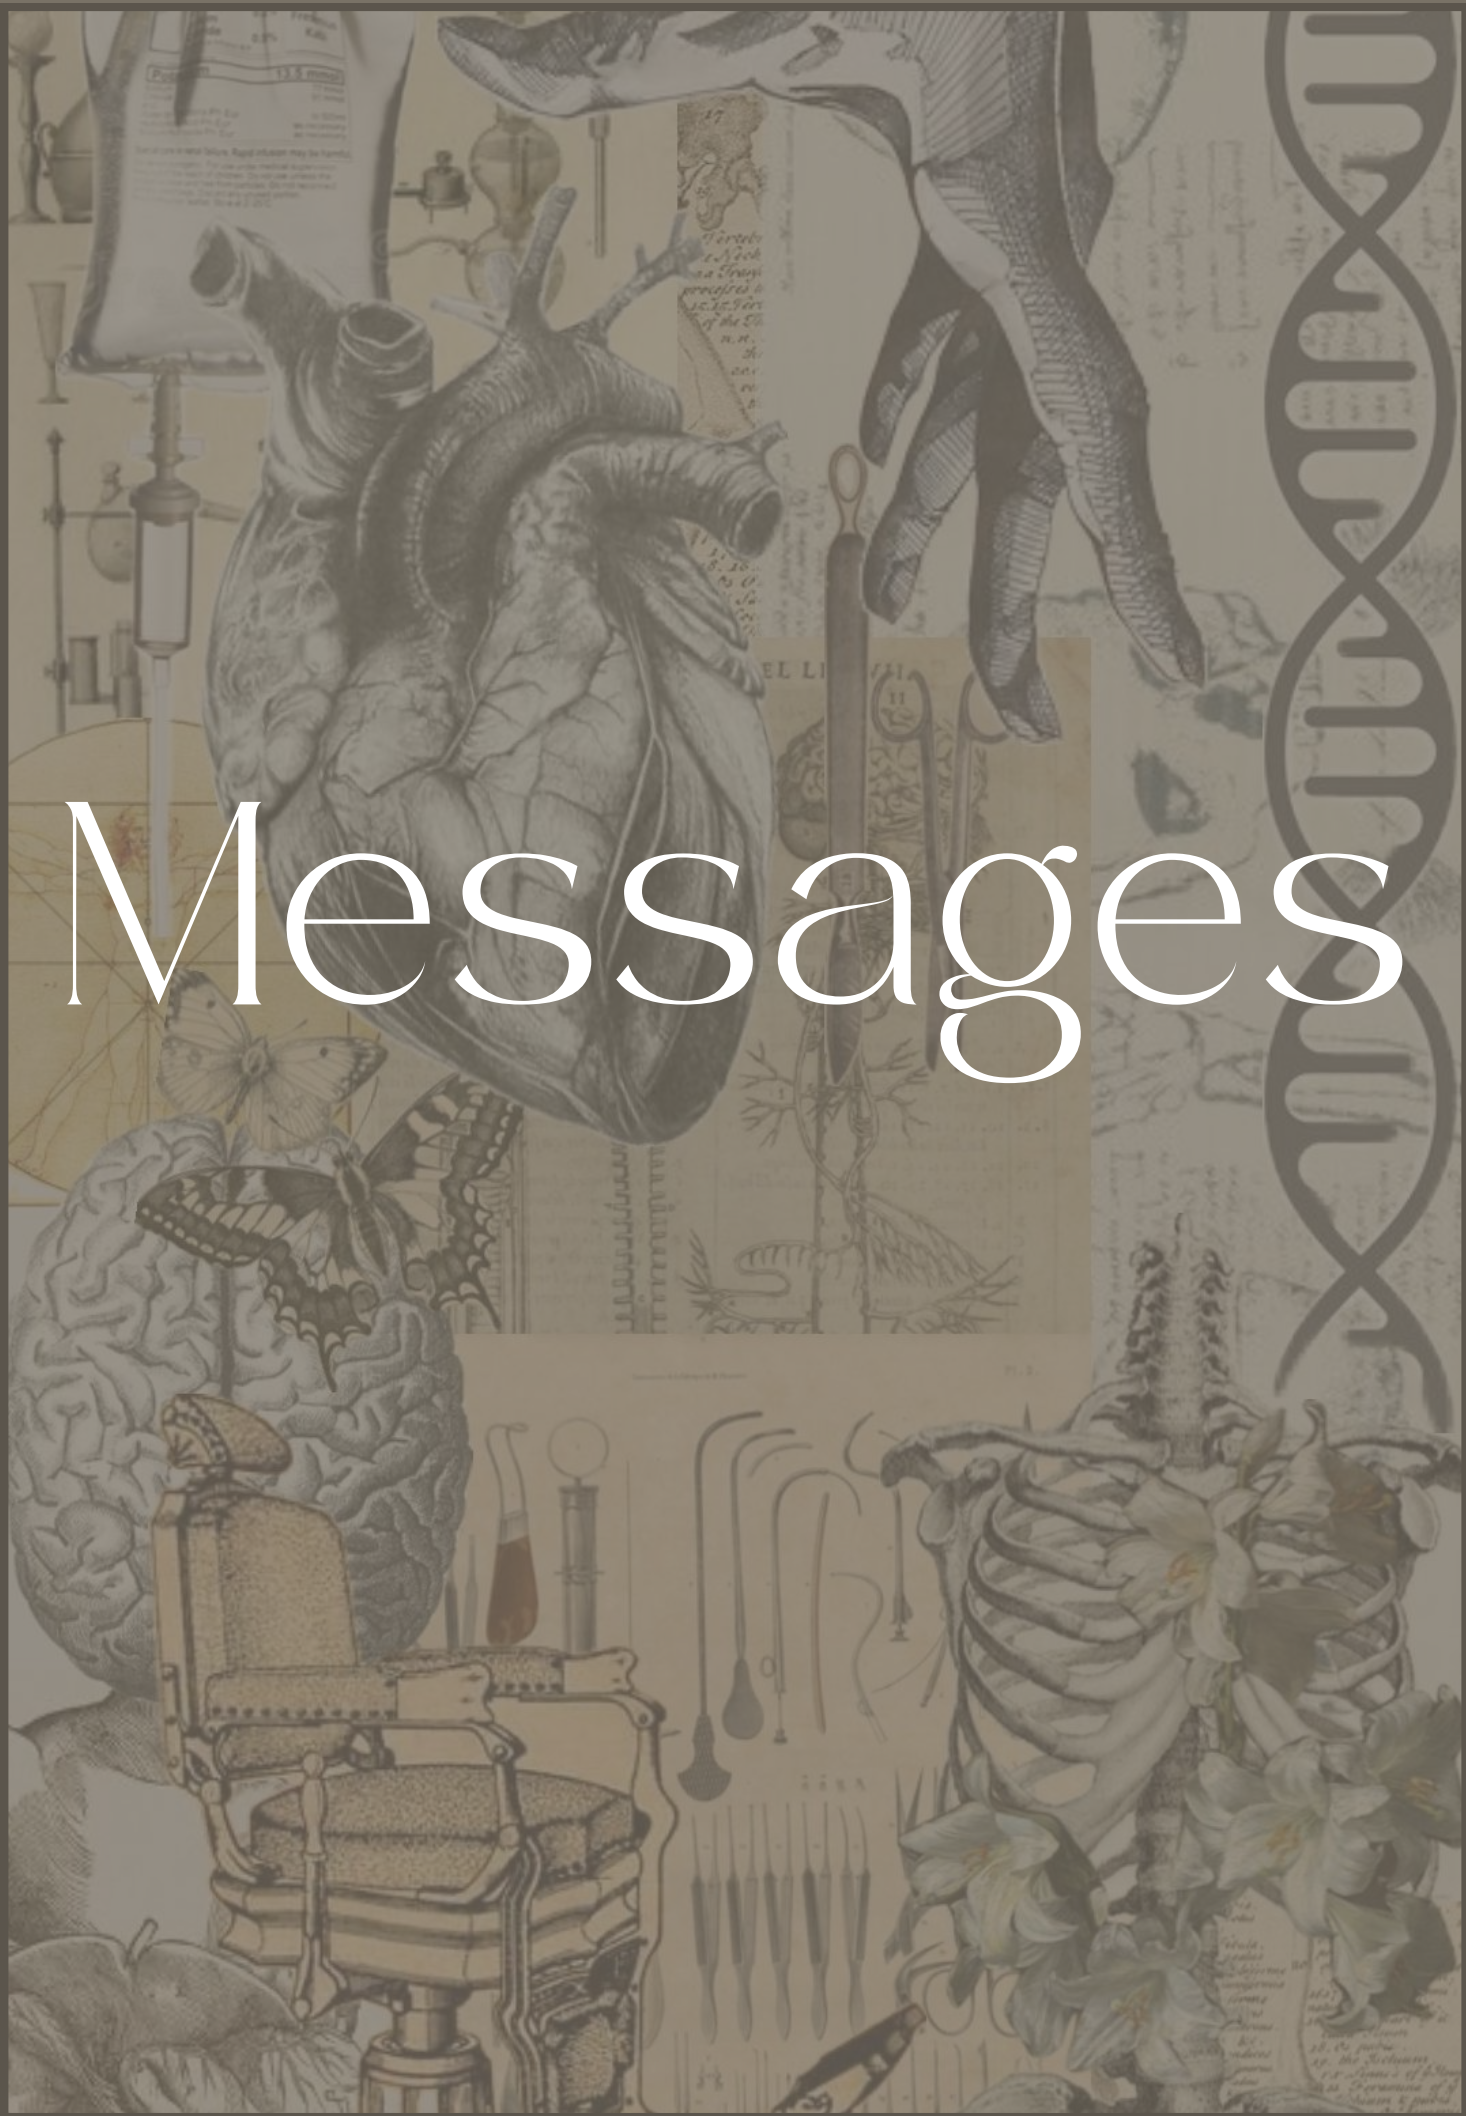

Preface

Hello readers, how about knowing UPUMS better? You are about to sail through the sea of the university.

We, the editors are hereby ecstatic to bring for you the first newsletter of our esteemed “UP University of medical sciences”. The people of the university, under the great guidance of our esteemed Chief minister Shri Yogi Adityanath ji and our revered vice chancellor Prof. Prabhat kumar Singh sir, have worked over the years to bring many laurels to the institution. The Role of Late Shri Mulayam Singh Yadav Ji and Ex-chief minister Mr Akhilesh Yadav Ji in developing the university is highly commendable. Respecting their hardwork, the success stories of the place need to reach far and wide in our state and the country.

So, via this newsletter, we intend to bring you the achievements made by the faculty and students of the university to the public. As is the current scenario, the social media (facebook/Instagram) helped us a lot to collect the data.

We also vow to keep working and bring you the UPUMS newsletter on a regular basis.

सन्देश

मुझे यह जानकर अतीव प्रसन्नता हुई कि उत्तर प्रदेश आयुर्विज्ञान विश्वविद्यालय सैफई, इटावा द्वारा त्रैमासिक न्यूज लेटर का प्रकाशन किया जा रहा है।

मुझे विश्वास है कि न्यूज लेटर में प्रकाशित चिकित्सा अनुसंधान की जानकारियां और संस्थान में उपलब्ध चिकित्सीय सुविधाओं का विवरण जनसाधारण के लिए उपयोगी सिद्ध होगा।

मैं न्यूज लेटर के प्रथम उद्घाटन अंक के प्रकाशन पर अपनी हार्दिक शुभकामनाएं प्रेषित करती हूँ।

संदेश

हर्ष का विषय है कि उत्तर प्रदेश आयुर्विज्ञान विश्वविद्यालय, सैफई, इटावा द्वारा त्रैमासिक न्यूज लेटर का प्रकाशन किया जा रहा है।

मुझे आशा है कि त्रैमासिक न्यूज लेटर में संस्थान की प्रगति, विभिन्न गतिविधियों, शोध कार्यों तथा उपलब्ध चिकित्सा सुविधाओं के सम्बन्ध में उपयोगी जानकारी का संकलन किया जाएगा।

त्रैमासिक न्यूज लेटर के उद्देश्यपरक प्रकाशन हेतु मेरी हार्दिक शुभकामनाएँ।

शुभकामना संदेश

मुझे जानकर हार्दिक प्रसन्नता हो रही है कि उत्तर प्रदेश आयुर्विज्ञान विश्वविद्यालय, सैफई, इटावा द्वारा अपने त्रैमासिक न्यूज लेटर का प्रकाशन आरम्भ किया जा रहा है। उक्त संस्थान सदैव से अपनी उच्चकोटि की चिकित्सा सुविधाओं हेतु जाना जाता रहा है जो आम जनमानस हेतु सदैव सुलभ रही है। उक्त संस्थान निरन्तर प्रगति के पथ पर अग्रसर है और चिकित्सा शिक्षा तथा चिकित्सा स्वास्थ्य दोनों ही स्तरों पर स्वयं को और बेहतर बनाये जाने हेतु प्रयासरत है। इसी क्रम में प्रकाशित होने वाले त्रैमासिक न्यूज लेटर में विश्वविद्यालय की प्रगति से लेकर संकाय सदस्यों, चिकित्सकों तथा विद्यार्थियों द्वारा किये गये अनुसंधानों का समावेशन किया जायेगा साथ ही संस्थान में उपलब्ध चिकित्सकीय सुविधाओं तथा विभिन्न संगोष्ठियों, कार्यशालाओं व प्रशिक्षण इत्यादि सम्बन्धी लेख भी सम्मिलित होंगे जो निश्चित रूप से आज जनमानस के साथ ही विश्व पटल पर चिकित्सा समुदाय को भी लाभान्वित करने में सहायक सिद्ध होंगे।

मैं उत्तर प्रदेश आयुर्विज्ञान विश्वविद्यालय, सैफई, इटावा द्वारा प्रकाशित किये जाने वाले उपरोक्त त्रैमासिक न्यूज लेटर के सफल एवं उद्देश्यपरक प्रकाशन हेतु विश्वविद्यालय परिवार को हार्दिक शुभकामनाएं प्रेषित करता हूँ।

संदेश

उत्तर प्रदेश आयुर्विज्ञान विश्वविद्यालय, सैफई के त्रैमासिक न्यूजलेटर के प्रथम अंक के प्रकाशित होने के अवसर पर प्रो० प्रभात कुमार सिंह, कुलपति, समस्त संकाय सदस्य, समस्त रेजीडेंट डाक्टर, विद्यार्थी एवं स्वास्थ्यकर्मियों को हार्दिक बधाई एवं शुभकामनाएँ।

सैफई विश्वविद्यालय, अपनी स्थापना से अब तक और आने वाले समय में भी निरंतर उच्चकोटि की चिकित्सा और चिकित्सा शिक्षा प्रदान करने के लिए प्रयासरत है। किसी भी संस्थान का न्यूजलेटर एक ऐसा माध्यम है, जिसके द्वारा विश्वविद्यालय की प्रगति, उपलब्धियाँ, नये अनुसंधान इत्यादि की जानकारी से जन साधारण और चिकित्सा समुदाय सभी अवगत होते हैं।

न्यूजलेटर संस्थान के अलग अलग विभागों, पूर्व छात्रों और संकाय सदस्यों को जोड़ने में भी सहायक होता है। साथ ही यह किसी भी संस्थान परिवार के सदस्यों के सृजनात्मक व्यक्तित्व का भी परिचायक होता है, जब वह लेखों, कविताओं और संस्मरणों के माध्यम से अपने विचारों को अभिव्यक्त करते हैं।

आशा ही नहीं, वरन पूर्ण विश्वास है कि आपके संस्थान का न्यूजलेटर भी जागरूकता और जानकारी का एक स्रोत बनेगा।

इस नयी पहल और सोच के लिये आप सभी को बहुत-बहुत हार्दिक बधाई।

FROM VICE CHANCELLOR'S DESK

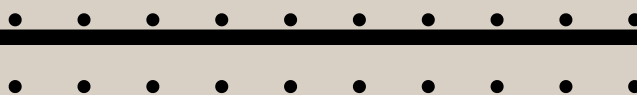

Dear Esteemed Readers,

It is with great pleasure and a sense of pride that I extend a warm welcome to the readers of this distinguished first Newsletter of UPUMS, a platform that serves as a conduit for the latest advancements, insights, and breakthroughs in the field of healthcare and medicine.

In the ever-evolving landscape of medical education and research, our University remains steadfast in its commitment to excellence, innovation, and the pursuit of knowledge. As the Vice-Chancellor of Uttar Pradesh University of Medical Sciences, I am privileged to witness the remarkable strides our medical community is making in shaping the future of healthcare.

Our dedicated faculty, comprised of eminent researchers, clinicians, and educators, continues to lead the charge in advancing medical knowledge and practice. Their ground-breaking research not only contributes to the global body of medical literature but also has a tangible impact on patient care, public health, and healthcare policy.

To our distinguished faculty, I extend my deepest appreciation for your unwavering commitment to advancing knowledge and nurturing the intellectual curiosity of our students. Your research, teaching, and mentorship contribute significantly to the academic vitality of our University.

To our esteemed students, the future custodians of healthcare, I extend my heartfelt congratulations on choosing a noble and challenging path. Your journey in medical education is not just an academic pursuit; it is a commitment to the well-being of individuals and communities. I encourage you to approach your studies with curiosity, compassion, and a deep sense of responsibility.

In the pages of this Newsletter, you will find stories of resilience, innovation, and collaboration within our medical community. From cutting-edge research findings to the compassionate care provided by our medical practitioners, each article reflects the dedication and passion that define the ethos of our institution.

As we navigate the complexities of modern healthcare, our commitment to fostering an environment of inclusivity, diversity, and ethical practice remains unwavering. It is through such principles that we aim to produce not only skilled healthcare professionals but compassionate individuals who understand the holistic nature of medicine.

I invite you, our valued readers, to engage with the content presented in this Newsletter, to explore the narratives of discovery and progress, and to join us in our collective mission to advance medical knowledge and improve the health and well-being of society.

I express my heartfelt gratitude and appreciation for the outstanding work of the editors who have undertaken in producing this Newsletter. Your tireless dedication and invaluable contributions is instrumental in fostering a culture of excellence within our University. Thank you for your continued support, and I look forward to witnessing the continued success and impact of UPUMS globally.

Warm regards,

Prof. (Dr) Prabhat Kumar Singh
Vice Chancellor UPUMS

FROM PRO VICE CHANCELLOR'S DESK

Dear readers,

I am thrilled to announce the launch of our first ever newsletter, a platform that aims to bring us closer together and celebrate the remarkable achievements within our medical community.

This inaugural edition is a treatment to the dedications, hardwork and excellence that define our university .It highlights the outstanding contributions of our faculty, students and staff showing the incredible research, clinical innovation and academic accomplishment that make us proud

I encourage each of you to explore the diverse content within these pages and I extend my deepest gratitude to everyone who has contributed to making this newsletter a reality

*let this be the first of may edition that continue to capture the spirit of collaboration, learning, and success that defines our medical university
thank you all for your continued commitment to excellence*

Warm regards

*Prof. (Dr) Ramakant Yadav
Pro Vice Chancellor UPUMS*

FROM REGISTRAR'S DESK

Dear readers,

I am thrilled to extend my warm greetings to all members of our esteemed university as we unveil the inaugural edition of our newsletter. It brings me great joy to share with you the latest happenings, achievements, and exciting developments within our vibrant Medical University community.

In this newsletter, you'll find a compilation of noteworthy accomplishments by our students, faculty, and staff, as well as updates on cutting-edge research initiatives and collaborative projects. It is a testament to the dedication and hard work of each member of our community that we can celebrate these achievements together.

The role of the Registrar is not merely administrative; it is a commitment to fostering an environment that nurtures growth, innovation, and collaboration. Our mission is to provide seamless support to students, faculty, and staff while ensuring the integrity and efficiency of academic processes. Through this, we aim to create an atmosphere conducive to learning, where every individual can flourish and contribute to the advancement of medical science.

In the coming months, you can expect a series of exciting events, ground-breaking research initiatives, and enriching academic programs. We will strive to keep you informed and engaged through regular newsletters, providing updates on the latest developments within the university, achievements of our faculty and students, and noteworthy advancements in the field of medicine.

I encourage you to actively participate in the various opportunities and activities that our university has to offer. Whether you are a student embarking on a challenging academic journey, a faculty member dedicated to shaping the future of medicine, or a staff member working diligently behind the scenes, your contributions are invaluable.

Let us join hands in the spirit of collaboration, compassion, and curiosity as we navigate the upcoming academic year. Together, we can create a community that not only excels in academic endeavours but also nurtures the personal and professional growth of each member.

The dedication, attention to detail, and creative flair of the editors of this newsletter have transformed our vision for the newsletter into a reality. The articles, features, and layout beautifully capture the spirit of our Medical University and showcase the diverse talents and achievements of our community.

Thank you for being an integral part of the UPUMS family. I look forward to witnessing the collective achievements and successes that lie ahead.

Warm regards,

Prof. (Dr.) C. V. Singh
Registrar

FROM EXAM CONTROLLER'S DESK

Dear All,

It is my pleasure to address the esteemed faculty members, dedicated students, and valued staff of our esteemed medical university through this newsletter. In the pursuit of excellence, our university continues to uphold the highest standards of education, research, and healthcare. The dedication and hard work of our faculty and students have consistently elevated our institution to new heights.

I would like to extend my heartfelt gratitude to the faculty members for their unwavering support and commitment to nurturing the next generation of healthcare professionals. Your tireless efforts in imparting knowledge and instilling a passion for learning are commendable.

To our students, your diligence and determination have been truly inspiring. The journey through medical education is demanding, and your resilience in the face of challenges showcases your potential as future leaders in the field of healthcare. As we move forward, let us remember that education is a continuous journey, and each experience contributes to our growth. I encourage everyone to embrace lifelong learning, foster a collaborative spirit, and uphold the values of integrity and compassion that define our profession.

I extend my best wishes to all for the future endeavours and successes that await. May our university continue to shine as a beacon of excellence in medical education and research.

Warm regards,

Prof. (Dr.) Alok Dixit
Examination controller

FROM DEAN'S DESK

It is a matter of great pride and satisfaction for the U.P. University of Medical Sciences, saifai to bring out our first much anticipated newsletter, to appraise you with academic , clinical and other accomplishments of the faculty, staff and students.

I am confident that this initiative will send a positive signal to the faculty, staff and students, as it is like a mirror which reflects the dear picture of all sorts of activities undertaken by the university.

I congratulate the editorial board of this newsletter who has played a wonderful role in accomplishing the task in record time. I express my deep sense of gratitude to our honourable vice chancellor professor Prabhat Kumar Singh sir under whose guidance this work has been undertaken and completed within stipulated time. Also my heartfelt congratulations to all the faculty, staff members and students for their fruitful efforts.

With best wishes

Regards

Prof. (Dr.) Adesh kumar
DEAN, FACULTY OF MEDICINE

FROM DEAN'S DESK

Dear all

The UPUMS Newsletter makes its debut appearance in the December 2023 and I am delighted to bring greetings in this issue of the UPUMS newsletter. Its goal is to share information to define a shared community with common interests and academic achievements.

A decade ago, our institution was a tiny organization. But today, Our students and alumni cover the National in their search for knowledge and promising careers and their contributions make a difference everywhere.

The UPUMS Faculty of Nursing continues to make great efforts and students are demonstrating their achievements in academics, various competitions, and extra-curricular activities. The Faculty of Nursing is committed to transforming education through outstanding academic programs and clinical practice. Our goal is to educate students who can provide the highest quality care in a variety of settings and who will be future leaders and contributors to health care.

Our efforts are focused on being responsive to students' individual needs by providing consistent, high quality, timely guidance, services, and supports through knowledgeable, well-informed staffs and engaging programs.

This newsletter is like a lighthouse for all faculty members, staffs and students. Because they are optimistic about their future prospects that they can accomplish something together. Hence publishing in the Newsletter is a great initiative and we hope it will be a great opportunity for all Faculty members, students and alumni to promote this and share their expertise.

My list of gratitude is endless. Best wishes.

MS. BIJI BIJU
DEAN, FACULTY OF NURSING

FROM DEAN'S DESK

Greetings!

We are happy to circulate the first issue of the UPUMS newsletter. Here you will find the latest news about the University, its exceptional programs, students, faculty, and alumni.

As we all know, a newsletter mirrors a University-Its vision and mission. It also highlights events, activities and academic prowess and achievements. This newsletter, aims to communicate happenings at the UPUMS.

The Paramedical Vigyaan Mahavidhyalay (Now Faculty of Paramedical Sciences) comes in existence in 2012 with 2 under-graduate and 11 diploma courses in various specialties of the field in Paramedical. We are continuously growing and further we have added 2 more courses at Under-Graduate level and 4 courses at Post graduate level. Our alumni have presence in most of the prestigious institutions of India and serving the nations with great efforts and sincerity.

I do hope that the newsletter encourages many more including students to use it as a platform to express their creativity. I sincerely hope that this edition makes for an interesting read. We look forward to keeping you posted on our progress on each of these vital fronts, and on the remarkable accomplishments of our students, faculty, and alumni.

Dr Jitendra Prasad Mathuria

DEAN, FACULTY OF PARAMEDICAL SCIENCES

FROM DEAN'S DESK

Greetings to all the readers,

I am very glad to introduce the first volume of news letter of Uttar Pradesh University of Medical Sciences, Saifai. As we all know, a newsletter mirrors an institution - its vision and mission. It also highlights the events, activities, academic progress and achievements of students. Contribution of teachers and other crucial information related to the institution are also incorporated in it.

At a glance, Pharmacy College Saifai was established in the year 2015. The institute was the first state governed Pharmacy College in Uttar Pradesh, India. Later, in June 2016, with the establishment of Uttar Pradesh University of Medical Sciences, Saifai, the college was designated as the Faculty of Pharmacy of Uttar Pradesh University of Medical Sciences, Saifai, Etawah. The Faculty of Pharmacy functions in accordance to the guidelines and norms provided by Pharmacy Council of India, New Delhi. The institute was placed in the rank band of 100-125 in the All India NIRF ranking 2023.

The candidates, who wish to become a part of it, are selected based on University entrance examination to pursue B. Pharmacy course. The institute imparts pharmacy education and prepares high achieving candidates to excel in their chosen careers through state of-the-art laboratories, knowledgeable faculty members; and a diverse, engaging learning environment adapting to ever-changing health care challenges. Besides education, students also indulge in various extracurricular activities that shape their leadership potential and embrace team spirit. In the newsletter readers will find the achievements of students and faculty members earned by the hard work and dedication. I also hope that the newsletter will encourage students to use it as a platform to express their creativity.

I congratulate and express my heartfelt gratitude to the editorial board members of newsletter UPUMS for their dedication and hard work done in the bringing up the issue.

Professor Kamla Pathak
DEAN, FACULTY OF PHARMACY

FROM DEAN'S DESK

I am delighted to announce an exciting initiative aimed at fostering collaboration, sharing knowledge, and celebrating the achievements of our esteemed institution, the Uttar Pradesh University of Medical Sciences, UPUMS, Saifai. In line with our commitment to excellence and innovation, I am thrilled to introduce the launch of our university's very own newsletter.

The newsletter will serve as a platform to showcase the bright and innovative ideas, as well as the exceptional work being carried out by various departments within our university. This endeavor will provide a centralized space where faculty, researchers, and staff can share their accomplishments, breakthroughs, and noteworthy endeavors, fostering a culture of collaboration and mutual inspiration.

Our goal is to highlight the diverse expertise and contributions across disciplines, encouraging cross-pollination of ideas and sparking further innovation. By uniting the exceptional work happening in different corners of our university, we aim to create a vibrant and cohesive community.

I invite each department to contribute articles, research highlights, success stories, upcoming events, and any other noteworthy information that showcases the talent, dedication, and ingenuity within our institution. Your contributions will play a pivotal role in making our university newsletter a resounding success.

Let us embark on this journey together to showcase the brilliance and accomplishments of our university's collective efforts. I eagerly anticipate the wealth of knowledge and inspiration that will emerge from this endeavor.

Thank you for your unwavering commitment and dedication to advancing excellence in education, research, and innovation at UPUMS, Saifai.

A handwritten signature in black ink that reads "Atul Singh" with a stylized flourish at the end.

Dr Atul Kumar Singh
DEAN, FACULTY OF DENTAL

FROM MEDICAL SUPREINTENDENT'S DESK

The way to get started is to quit talking and begin doing.” was well said by Walt Disney. It is very exciting to see that the first issue of Newsletter of UP University of medical sciences is being published. The university has grown a lot since its inception in 2005. It has many achievements, the simplest being treating patients not only from Etawah but from surrounding districts also. It is important to highlight the achievements of the place, so that the place and the people associated with it get appropriately rewarded. As is evident from the newsletter, all five faculties namely, Medical, Dental, Paramedical Sciences, Nursing and Pharmacy are contributing well to the glory of the University.

In the future, we would like to focus as much on critical thinking and innovation and broadening of our students’ horizons while simultaneously build the students’ moral and ethical character so that each student can individually and as a group contribute to the society around us and the world at large.

Prof. (Dr.) S.P. Singh
medical Superintendent

EDITORIAL

Dear readers,

With immense pleasure and a sense of achievement, we unveil the inaugural edition of the Uttar Pradesh University of Medical Sciences Newsletter. This project has been a labour of love, a collaborative effort that aims to encapsulate the spirit of innovation, dedication, and accomplishment that defines our esteemed University.

A Canvas of Achievements:

Within the pages of this newsletter, you will find a canvas painted with the myriad achievements, breakthroughs, and triumphs that shape the identity of UPUMS. It is a celebration of the collective excellence that exists within our academic family, students, faculty members, and staff alike.

Beyond the Lab and Lecture Hall:

Dive into the world of ground-breaking research and discoveries that are shaping the landscape of medical knowledge. The stories within these pages are not just narratives; they are a testament to the relentless pursuit of knowledge and the impact our community is making beyond the confines of the lecture hall.

Faces of the UPUMS:

Meet the faces that constitute the heart and soul of the UPUMS. From the stories of resilience and ambition among our students to the remarkable contributions of our faculty members, this newsletter introduces you to the dynamic individuals who make our university thrive.

Evolution of Excellence:

Explore the on-going transformation of our campus, where academic pursuits and physical spaces converge. From state-of-the-art facilities to the growing intellectual footprint, witness the evolution of the UPUMS and the commitment to providing an environment conducive to learning and growth.

Gratitude and Looking Ahead:

A sincere thanks to all who have contributed to bringing this newsletter to life. To the writers,, photographers, and everyone who played a part in this collaborative effort, your dedication is reflected in the pages before you. A special note of thanks to Dr SPS Gill Professor Department of orthopaedics and in-charge of the social media.

As we release this first edition, we invite you to immerse yourselves in the stories and successes shared within. This newsletter is not just a publication; it is a reflection of the vibrancy and potential that defines our university.

Thank you for being an integral part of this exciting new chapter. Here's to the many more stories and discoveries yet to be unveiled.

Warm regards,
[Editorial Team]

Celebrations

Teacher's day 2023

On the occasion of the birth anniversary of India's first Vice-President and second President Dr. S. Radhakrishnan, Teacher's day, 2023 was organised by the Student Council (Faculty of Medicine) in association with MBBS batch 2021 as a tribute ceremony cum cultural event at Uttar Pradesh University of Medical Sciences, Saifai, Etawah. The event was successfully conducted under the guidance of the the event coordinators Dr. Kirti Jaiswal, Dr. Naresh Pal Singh, Dr. Vinay Gupta and Dr. Mamta Rani.

The Chairman, Sports and Cultural Committee Prof. Dr. Rajesh Kumar Yadav addressed the assembly with an opening speech. The chief guest of the program and the Vice Chancellor of the university Prof. Dr. Prabhat Kumar Singh highlighted the role of a teacher in a student's life and also emphasised that a good teacher is always a good learner. Under the guidance of honorable Vice Chancellor, Student Council (Faculty of Medicine) is established for the first time in the university, the members of which were rewarded with certificates by the Vice Chancellor as the Patron of the council and badges by the Dean (faculty of medicine) Prof. Dr. Usha Shukla as the Co-patron and Dean (Student Welfare) Prof. Dr. Alok Dixit as the Chairman of the newly formed student council. Various cultural performances were exhibited by the faculty members and students of MBBS 2021 and interesting games were organized for the recreation of the faculty members.

Ambedkar Jayanti 2023

Uttar Pradesh Medical Sciences University celebrated the 132nd birth anniversary of Bharat Ratna Dr. Bhimrao Ambedkar with much fanfare by presenting a cultural program in the auditorium hall of the university. The program was inaugurated by the Vice Chancellor of the University, Prof. Dr. Prabhat Kumar Singh by lighting the lamp. The main theme of the program was Bharat Ratna Bodhisattva Dr. Bhimrao Ambedkar and social harmony. In the workshop, Vice Chancellor of the University, Prof. Dr. Prabhat Kumar Singh said while throwing light on the life of Baba Saheb, Dr. Bhimrao Ambedkar was a unique scholar and jurist. When India became independent, he served the country as Law Minister in the first cabinet formed after independence. On the basis of his scholarship, on 29 August 1947, Dr. Ambedkar was appointed to the post of Chairman of the Constitution Drafting Committee for drafting the new Constitution of independent India. And Head of Department of Respiratory Medicine, Prof. Dr. Adesh Kumar said in his address that Dr. Bhimrao Ambedkar will always be remembered with respect as the creator of the Indian Constitution as well as a true patriotic great man.

Republic Day 2023

UPUMS Employees Association distributed fruits to the patients admitted in the Trauma Center and various wards of the university on the auspicious occasion of Republic Day on 26 January 2023. This program was inaugurated by Honorable Vice Chancellor Prof. Dr. Prabhat Kumar Singh Sir along with Union President Sharad Yadav, General Secretary Rajeev Kumar, Vice President Rakesh Kumar Meena, Amit Kumar Shukla, Treasurer Brajesh Kumar, Office Minister Nauratan Singh, Joint Minister Premal etc. distributed fruits to the patients. In this program, Honorable Pro Vice Chancellor, Prof. Dr. Ramakant Yadav, Respected Medical Superintendent Sir Prof. Dr. S.P. Singh, Respected Registrar Sir Prof. Dr. Chandraveer Singh, Senior Administrative Officer Shri K. B. Aggarwal and other faculty members, doctors were in dignified presence. In the end, the Honorable Vice Chancellor congratulated and congratulated the UPUMS Employees Association for organizing this program.

Freshers (faculty of Pharmacy)

The B Pharm fresher batch who joined Faculty of Pharmacy in September 2023 was welcome by the B Pharma second year Batch 2022 on dated 08 November 2023 in the prestigious presence of Honorable vice chancellor, Pro Vice chancellor, Registrar, Medical superintendent, Dean of various faculties and faculty members.

On this occasion various cultural programs were performed by the students. These programs include dance, singing, poetry, drama, ramp walk etc. Mr Fresher and Ms Fresher were selected by various round evaluations. On various evaluation parameters Mr Harshit Senger was selected as Mr Fresher whereas Ms Ankita was selected as Ms Fresher.

Oath taking ceremony (faculty of Medicine)

World Epilepsy Day

Epilepsy Awareness Program was organized by the Department of Neurosciences at Medical University, Saifai on World Epilepsy Day. The theme of Epilepsy Day this year is Stigma to dispel the myths associated with Epilepsy.

VC sir said that the number of people suffering from epilepsy in our country is huge and there is a dearth of information related to it. So, we should spread the information related to it to all and for these new types of awareness campaigns should be conducted. Therefore, we should stick with people suffering from epilepsy and encourage them.

Pro VC Sir Prof Dr Ramakant Yadav said that Epilepsy is a neurological disorder, in which the person gets seizures. But despite this, it is full of stigma, due to which the person does not get a right place in society. Some people describe a person suffering from epilepsy as mentally weak or insane. Epilepsy should be known to all people so that they have the right information and the stigma associated with it can be removed.

In the end, a power point presentation was made by Dr Abhishek on the topic of Epilepsy Stigma, in which the causes of Epilepsy, delusions associated with it, the symptoms of Epilepsy and the symptoms of Epilepsy were explained in detail.

Congenital Lobar Emphysema

सैफई के डाक्टरों ने दिया नौ महीने के शिशु को नया जीवन

इटावा (एसएनबी)। उन्नत प्रदेश आयुर्विज्ञान विश्वविद्यालय के पीडियाट्रिक्स सर्जरी विभाग के चिकित्सकी द्वाारा नौ महीने के शिशु के फेफड़े की दुर्लभ एवं घातक जन्मजात विसंगति कंजिनिटल लोबार इम्फेसेमा (सोएलई) का सफलतापूर्वक इलाज किया गया। यह जानकारी पीडियाट्रिक्स सर्जरी विभाग के विभागाध्यक्ष प्रोफेसर डा. उमेश कुमार गुप्ता ने दी।

इटवा - सैफई मेंडिकल यूनिवर्सिटी में नौ महीने के शिशु का योग प्रस फेफड़ा निकालने वाली टीम डाक्टरों के साथ आई में।

उन्होंने बताया कि इस विसंगति के कारण क्षेत्र के निवापुरा निवासी राघवेंद्र यादव का शिशु को जन्म से ही सीस संबंधी परेशानी हो रही थी जिसके इलाज के लिए शिशु के माता-पिता द्वारा विभिन्न नहरों में कई डॉक्टरों को दिखाया गया परामर्श लिया गया। जहाँ शिशु के छाती में अत्यधिक हवा भरने की समस्या (प्युनेथोरैक्स) का इलाज भी बायीं फेफड़े में नहीं हो पाया। इन प्रयासों का कोई सकारात्मक परिणाम नहीं मिलने पर शिशु के माता पिता द्वारा विश्वविद्यालय के पीडियाट्रिक्स विभाग में विभागाध्यक्ष डा. राजेश यादव, प्रो. आर्किट शर्मा, च. सहायक प्रोफेसर

सौराई की बीमारी फकड़ में आई। इसके सफल आपरेशन के लिए शिशु को पीडियाट्रिक्स सर्जरी विभाग में रेफर किया गया। एनेस्थीसिया विभाग की विभागाध्यक्ष प्रोफेसर डॉक्टर उषा शुक्ला ने बताया कि पीडियाट्रिक्स सर्जरी विभाग के विभागाध्यक्ष प्रोफेसर डा. उमेश कुमार गुप्ता, सहायक प्रोफेसर डा. रवि ए रहमान, डा. सुरवेश की

निकाल दिया गया। आपरेशन के दौरान एनेस्थीसिया विभाग से डा. सुचि निगम ने एनेस्थीसिया प्रबंधन की जिम्मेदारी निभायी। इसके अलावा पोस्ट आपरेशन के बाद पीडियाट्रिक्स विभाग के डा. सुरेश कुमार, डा. रागेश कुमार वर्मा, डा. रमेश कुमार एवं डा. शाश्वती आदि ने शिशु की स्थिति पर पूरी निगरानी रखी। शिशु अब कृत्रिम हास से

A rare life-threatening congenital anomaly of Lung called as Congenital Lobar Emphysema (CLE) was treated successfully in an infant at UPUMS Saifai. The infant had respiratory distress since birth for which the parents of the infant sorted consultation in various cities. The infant was misdiagnosed as a case of pneumothorax for which multiple times ICD insertion was done. However, child didn't respond to the treatment and finally came to UPUMS Saifai. The team of Pediatrician under the guidance of Prof. Rajesh Yadav, Head of Department Pediatrics and Dr Muniba Alim, Assistant Professor, worked up the child and diagnosed the infant with CLE involving left upper lobe.

The management included exhaustive preoperative preparation, smooth induction by the expert anesthetist, strenuous operative procedure and intricate postoperative care. The team of Pediatricians and Pediatric Surgeons took the daunting task of managing the infant. The expert team of Anesthetist lead by Prof. Usha Shukla and Dr Suchi Nigam took the challenge of giving Anesthesia to infant weighing only 7 kg. Team of Pediatric Surgeons comprising of Dr Rafey A. Rahman, Dr U. K. Gupta and Dr Survesh performed the complicated surgery that lasted for 2 hours in which diseased portion of left lung was removed. Postoperative course in such children is often stormy as the patient can get complicated quickly and may require respiratory support. However, with the help of expert team of Pediatric intensivist the child was managed successfully postoperatively. The child does not need oxygen support now and has been discharged in stable state.

The constant support and guidance from the Hon'ble Vice Chancellor Dr Prabhat Kumar Singh encouraged the doctors to manage and successfully treat this exceedingly challenging condition.

Plantation Drive

Plantation drive at UPUMS, Saifai campus done by Dr Atul mishra, Dr Ajay Gupta, Dr Dheer Singh, Dr Reena, Dr Jay, Dr Nupur mittal, Dr Pragati, Dr Soniya and MBBS first year students.

83rd Annual Conference of Association of Surgeons of India

Surgeons from UPUMS shined at ASICON-23

The 83rd Annual Conference of Association of Surgeons of India (ASI) was held at Visakhapatnam, Andhra Pradesh from 13.12.2023 to 16.12.2023.

The following surgeons were representatives from the Department of General surgery, UPUMS, Saifai , Etawah: Prof Dr Somendra Pal Singh, Dr. Gaurav Mishra (Assistant Professor) and among post graduate trainees Dr. Sabrish S, Dr. Vikas Patel, Dr. Aakarshita Singh, Dr. Atul Yadav and Dr. Krishna Upadhyay. It was an event filled with pride for our team from UPUMS, Saifai as our members were awarded with prestigious positions among all skillful surgeons from India.

In paper presentation under the able leadership of Prof. (Dr.) Somendra Pal Singh our team of faculty & residents won 3 best paper awards in their respective categories. Our very own renowned surgeon Prof. (Dr.) Somendra Pal Singh got second best paper prize in “Faculty Innovative Research Presentation” for his breakthrough Research paper titled “Clinical study to compare role of Centchroman and Danazol in the management of Benign Breast disease at UPUMS , Saifai.”

Dr. Gaurav Mishra (Assistant professor) also secured second best paper prize for his incredible research paper titled as “ Efficacy and Safety of Ligasure in laparoscopic sutureless appendectomy.” All post graduate trainees presented one paper and a poster in the conference. Among our residents Dr. Aakarshita secured first best poster prize in presentation titled as “A terminal ileum Bezoar presenting as a malignant caecal mass: A rare case report and review of literature.

TB MukT Gram Abhiyan

present in the occasion. All the faculty of Respiratory Medicine and Residents has organized the program with help of NTEP Staff.

Event no. UPUMS2023-047 has organized by the department respiratory medicine in which under the TB mukt gram panchayat abhiyan, the gram panchayat ujhaini- safai is adopted by the department of Respiratory Medicine UPUMS Saifai. The chief guest of the program was hounarable Vice Chancellor Sir and the other chairpersons were Dean & HOD Respiratory Medicine Prof. Adesh kumar, Dean Student welfare, MS sir Registrar sir, DTO etawah, Gram Pradhan. Prof. N.P. Singh from Community medicine, Prof. Amit Singh form Microbiology and Dr. Vinay Gupta also

Thermal Camera for detecting Rheumatoid Arthritis - Patent

A noteworthy achievement of the UPUMS. The University acknowledged the invention of the design patent of a Thermal Camera for detecting Rheumatoid Arthritis. The patent is granted by the Patent Office, Government of India. A certificate of the registration of the design was awarded to the team of the inventors Dr. Sunil Kumar, Professor and Head, Department of Orthopedics, Dr. Amit Singh, Professor, Department of Microbiology and Dr. Vinay Kumar Gupta, Assistant Professor, Department of Pharmacology (Faculty of Medicine).

The Hon'ble Vice Chancellor Prof (Dr) Prabhat Kumar Singh appreciated the work of the inventors and their remarkable achievement and discussed about foresight for the innovations in the University.

The Pro Vice Chancellor Prof (Dr) Ramakant Yadav, Registrar Prof (Dr) Chandra Veer Singh, Dean Faculty of Medicine Prof (Dr) Adesh Kumar and Medical Superintendent Prof (Dr) S.P. Singh congratulated the inventors for the noble work. The invented design is a non-invasive, ergonomically designed, handy and easy to use with better inter observer reliability. The invented design is superior to the available non-invasive techniques like Power Doppler Ultrasound. This technique will be used in screening (early detection) and monitoring treatment of RA.

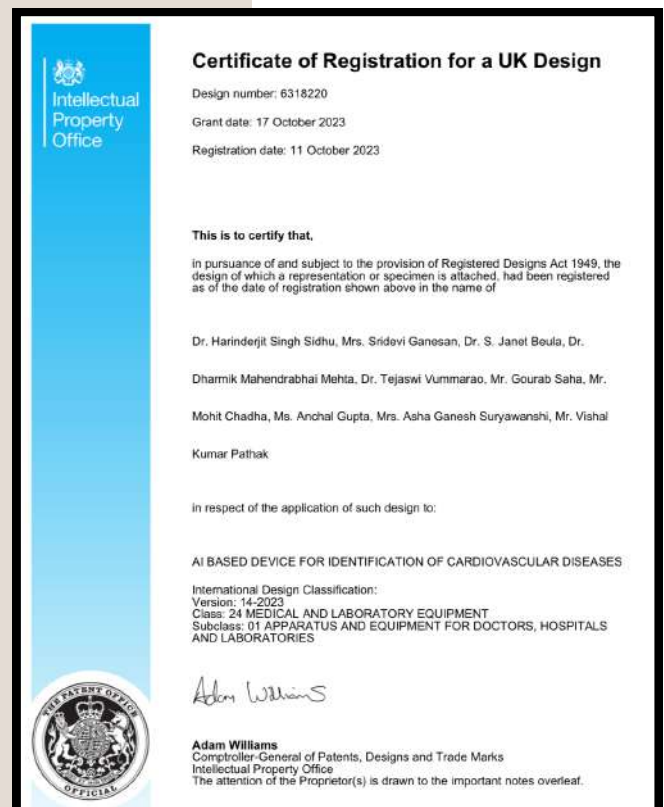

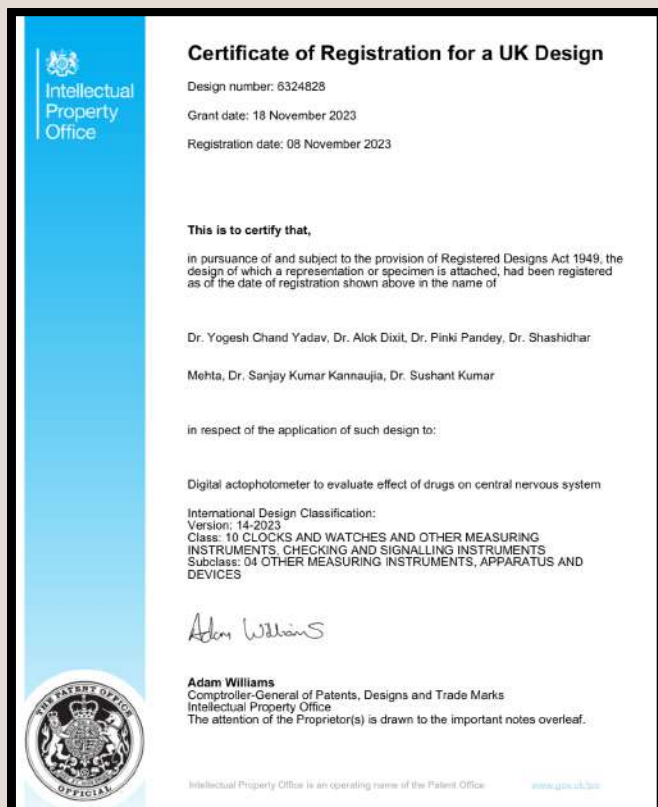

Thermography is a technique that measures the temperature of affected area without physical contact by capturing the infrared radiation energy of an object using a thermographic camera. The concept of Thermal Camera is based on thermography image and digital image of the subject taken with FLIR ONE Pro thermal imaging camera attached to a smartphone.

Laboratory Apparatus to Predict Animal Activity-Patent

Our University acknowledged the great achievement of Dr Sanjay Kumar Kannaujia, Associate Professor, Pathology, as he registered a patent of design "Laboratory Apparatus to Predict Animal Activity" in the Patent office, Government of India.

Vice chancellor Dr Prabhat Kumar Singh and Head of the Department congratulated Dr Sanjay kumar kannaujia on behalf of University and Pathology department. On this occasion all the faculty members of pathology department were present. This was the first Patent of faculty of medicine of UPUMS

The background is a complex collage of scientific and medical illustrations. At the top center is a detailed anatomical drawing of a heart with its major vessels. To the right, a large, vertical DNA double helix is rendered in a dark, stylized font. Below the heart, there's a brain with a butterfly resting on it. In the bottom left, a laboratory chair is depicted. The bottom right shows a ribcage with a cluster of white flowers. Various laboratory glassware, including flasks and beakers, are scattered throughout the scene. The overall aesthetic is that of a historical scientific manuscript or a modern scientific poster.

Research Projects in the University

funded intramural in 2022-23

1. Title- Hospital Based Surveillance for Radiological Pneumonia in children under 5 years of age in Uttar Pradesh and Bihar Project

Name and Department of Faculty Members- Dr P.K. Jain, Community Medicine

Duration of Project- From Jan 2016 to March 2023

Funding Agency- Bill & Melinda Gates Foundation (Via KGMU)

Amount Received- 321855/-

2. Title- Mortality established in India through verbal Autopsy 'MINERVA' Project

Name and Department of Faculty Members- Dr P.K. Jain, Community Medicine

Duration of Project- From 2018 to ongoing

Funding Agency- Registrar General of India & AIIMS, New Delhi

Amount Received- NIL

3. Title- Regional resource training centre Project

Name and Department of Faculty Members- Dr. Sandip Kumar, Community Medicine

Duration of Project- From 1 Jan 2019 – ongoing

Funding Agency- IHAT Lucknow

Amount Received- 1080000/-

4. Title- Unravelling the role of Platelet Rich Plasma in the treatment of various dermatology diagnosed through clinical and histopathological examination

Name and Department of Faculty Members- Dr. Sanjay Kannaujia, Department of Pathology

Duration of Project- 02 Years

Funding Agency- Uttar Pradesh University of Medical Sciences

Amount Received- 110000/-

5. Title- Effect of in-vitro addition of Pentoxophylline on sperm motility in oligo-asthenspermic semen sample (applied)

Name and Department of Faculty Members- Dr. Kalpana Kumari, Department of Gynaecology

Duration of Project- 03 Years

Funding Agency- Department of Health Research (MRU of UPUMS)

Amount Received- Not Yet

6. Title- VRDL

Name and Department of Faculty Members- Dr. R.K. Verma, Department of Microbiology

Duration of Project- Continue

Funding Agency- ICMR, New Delhi

Amount Received- 9,75,000/-

- 7. Title- evaluate the utility of liquid based cytology in screening oral cancer and precancerous lesions and prevalence of HPV in oral cancers**
Name and Department of Faculty Members- Dr. Pinki Pandey, Department of Pathology
Duration of Project- 02 Years
Funding Agency- Uttar Pradesh University of Medical Sciences
Amount Received- 5,20,000/-
- 8. Title- To study the permeability of Blood Brain Barrier for Abharak Bhasm in rats**
Name and Department of Faculty Members- Dr. Amita Singh , Animal Husbandry Department
Duration of Project- 1 year
Funding Agency- Uttar Pradesh University of Medical Sciences
Amount Received- 2,00,000/-
- 9. Title- "Haematobiochemical and Histopathological studies on effects of Raj Nirvan Bati (RNB) in wistar rats"**
Name and Department of Faculty Members- Dr. Amita Singh, Animal Husbandry Department.
Duration of Project- 1 year
Funding Agency- Uttar Pradesh University of Medical Sciences
Amount Received- 85,500/-
- 10. Title- Study to evaluate the role of Human Papilloma virus in the development of prostate carcinoma**
Name and Department of Faculty Members- Dr. Savita Agarwal, Department of Pathology
Duration of Project- 2 years
Funding Agency- Department of Health Research, Mo, HFW, New Delhi
Amount Received- 4,20,000/-
- 11. Title- To study the role of GATA3, CK20, CK5/6, and CK14 in classifying bladder cancer in luminal and basal subtypes and their treatment modalities.**
Name and Department of Faculty Members- Dr. Sanjeev Kumar Singh ,Department of Pathology
Duration of Project- 02 Years
Funding Agency- Uttar Pradesh University of Medical Sciences
Amount Received- 4,00,000/-
- 12. Title- Title-Immunohistochemical expression of cathepsin B in low and high grade glioma as an emerging bio marker of malignant glioma**
Name and Department of Faculty Members- Dr. Geeta Maurya , Department of Pathology
Duration of Project- 03 Years
Funding Agency- Uttar Pradesh University of Medical Sciences
Amount Received- 1,83,036

Student Corner

Dr Gaurav Kumar Samant, Resident Orthopaedics, UPUMS, Saifai, Etawah won the gold medal in the E-Poster presentation session at UPORTHOCON 2023 at Gorakhpur, Under the guidance of Prof.& Head Dr S.P.S Gill and the mentorship of Dr Ajay Rajput. our other Residents; Dr Ishan Ahmad, Dr Vyutpanna Mishra, Dr Ram Dewedi also presented their thesis papers during UPORTHOCON 2023 conference.

Faculty and Residents from the department of Orthopaedics, UPUMS, Saifai, participated at 14th CAWNPORE Arthroplasty Course 2023 held on 23-24 Sept 2023 at Lucknow. Dr Harish Kumar (Asso. Prof.) presented a case on "THR in 3 months old Neglected Anterior Hip Dislocation - Superior (Pubic) type"- A rare case. Dr Ajay Kumar Rajput (Asso Prof.) presented a case on " Total Hip Arthroplasty in patient with Ankylosis Spondylitis with advanced Hip arthritis ". Dr Pradeep Kumar Gupta (Assis. Prof.) presented a case on "Total Knee Arthroplasty in primary knee". Dr Ravikant presented a case on "Revision Bipolar Hemiarthroplasty in Periprosthetic Fracture "

Dr. Gayadeen Won the 1st Prize in the Poster presentation for the TKR Group (Topic - TKR in advanced OA with bone defect) under the guidance of Dr Harish kumar.

Dr. Vyutpanna Mishra Won the 2nd prize in poster presentation in THR Group (topic- THR in 3month old neglected Anterior Hip dislocation) under the guidance of Dr. Harish kumar, amongst the 8 participants in the event .

शत शत आभार कोरोना वीरों

सांसें सर्द पर माथा गर्म था,
दिल में उत्साह पर हाथ नर्म था;
मंज़र ऐसा कि हर दहर सूनी
रोमांच की खुशियों की बहर सूनी।

नित दिन उठतीं ढेरों लार्शें,
विवश होकर लोग खड़े हताशे।
लगे ऐसा कि हर पल उजड़ गया,
सुख की रोटी का भी स्वप्न उजड़ गया।

क्या? क्यों? कैसा ये कहर था?
आज तो हवाओं में भी ज़हर था।

थी दुश्मन की फ़ौज न दिखाई पड़ती,
फिर भी स्वास्थ्यकर्मियों की सेना रोज़ लड़ती।
मायूस चेहरे बच्चों के सिर्फ चित्रों में ही दिखते थे,
घर की यादों के मारे तो हाय! कलेजे सकते थे।

थी न उनकी गर्ज कि हर ख़ुशी को करके न्योछावर,
भगवान बनकर खड़े रहें अस्पतालों में डटकर बराबर;
किंतु उनके हृदय में मातृभूमि हेतु भक्ति थी
जो देती उनको बिना सोये डटे रहने की शक्ति थी।

परिचित थे हम सेना के त्याग और बलिदान से,
आज 'नयी सेना' ने भी जतला दिया अभिमान से-
कि कर्म ही भक्ति बड़ा है, देशधर्म महान है;
यदि करें कर्तव्यों का पालन तो देव हर इंसान है।

हो जाएँ जो इक जुट तो फिर शत्रु दिखे या न दिखे,
रास्ते की सबसे बड़ी बाधा खुद हटे या न हटे;
सार्थकता, संयम व परिश्रम से सब आसान है
यदि गिर गए तो पीछे अवलम्बन हिंदुस्तान है।।

विद्यार्थी के लिए संदेश

मत हटो पीछे पढ़ाई से,
करना है इससे प्यार तुम्हें।
इस प्रतिस्पर्धा भरे जीवन में,
बनाना है इसे आधार तुम्हें।
कठिन परिश्रम एवं ईमानदारी से,
करना है अपने सपनों को साकार तुम्हें।
जीवन की प्रत्येक छोटी- बड़ी चुनौतियों से,
लड़कर उबरना है बार- बार तुम्हें।
देश विरोधी, अनैतिक एवं अमानवीय ताकतों से,
करना है दो- दो हाथ हर बार तुम्हें।
बढ़ते आतंक, गरीबी एवं प्रदूषण पर,
करना है कठोर प्रहार तुम्हें।
अध्यात्मिक, नैतिक एवं संवेदनशील विचारों से,
करना है मानवता का प्रसार तुम्हें।

पुस्तक महिमा

कंकर को शंकर कर दे ये, इसमें ऐसा ज्ञान है।
अमावस्य को पूनम कर दे, इतनी दीप्तिमान है।।
चुप रहकर भी दिशा दिखा दे कुछ ऐसी आवाज़ है।
राजा रहकर झुकना जाने इसमें ऐसा नाज़ है।।
आम्बेडकर के मन में जो, फूटी वो अंगार है।
स्वतंत्रता के संग्राम का, ये अमोघ हथियार है।।
हाथी की हुंकार यही है, शेरनी की दहाड़ है।
माउंट एवरेस्ट या हो रॉकी इसमें सर्व पहाड़ हैं।।
विश्व निखिल की नदियाँ है ये, गंगा का ये नीर है।
अर्जुन की गाथा पढ़ लो तुम, उसी पार्थ का तीर है।।
लक्ष्मीबाई के खड़ग भाल हैं, राणा की तलवार है।
तानसेन के राग यही हैं, मीरा की झंकार है।।
कागज़ के गुच्छे मत इसको समझो ऐ भारतवालों
कभी ना बदले जिसका शासन ये ऐसी सरकार है।।

Cultural/Sports
events at
UPUMS

Maharani Lakshmibai Jayanti

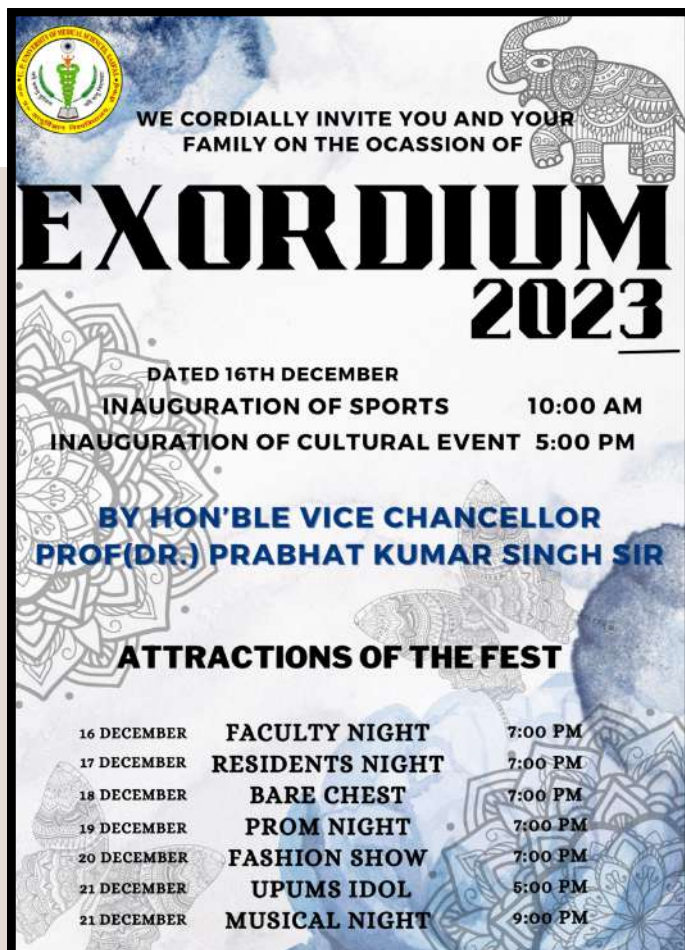

Maharani Lakshmibai Jayanti was celebrated as Shakti Utsav by Akhil Bharatiya Vidyarthi Parishad. , In this program, girl students of various schools and universities of Saifai were honored by giving certificates, medals and insignia to the participants of education, sports, arts and various competitions. Vice Chancellor of Uttar Pradesh Medical Sciences University, Saifai, Prof. was the chief guest in the program. Prabhat Kumar Singh said that the Student Council is continuously working in the interests of the students and is also working to awaken the feeling of patriotism among the students by celebrating the birth anniversaries of great men. While rewarding the girl students who won in various competitions, he said that there is a lot of talent hidden inside you, hone it and use it in building your future. Today women are hoisting their flag in various fields. Disciplined life and honest work are the basic mantras to move ahead in life.

Special guest Neelam Rai Verma said that if there is a woman then everyone is there, women are not weaker than anyone, the women of our country have never been weak. She said that during the period of slavery in the country, women were oppressed but even at that time the women of India struggled and played an important role in independence. He said that today women are leading in every sector of the country. Through the poems of Ramdhari Singh Dinkar, he inspired the women to move forward and said that you all have to become like the sun. You are the creator, you are worth worshipping. It is from you that creation exists.

Keynote speaker, State Vice President Dr. Padma Tripathi, while giving information about various activities of the organization, said that today the Student Council is strengthening the nationalism within the country and making the student power stand with the country in all the major campuses of the country
