# **Configuration Document**

# **Course Structure Creation**

### **Prerequisites**

Following Prerequisites needs to be done before enabling Course selection and Examination form submission process:

- 1. Add all programmes into the production portal.
- 2. Add/import all courses into the production portal.
- 3. Import/move students from the admission to academic module.

Before enabling Course selection and Examination form submission process admin needs to configure the following Settings first.

## **Individual Programme Setting**

The following individual programme settings are needs to be done which are as follows:

- 1. Organizational Units
- 2. Course Structure

For **individual programme settings** admin needs to follow the following steps:

#### 1: Go to the Academics then Programme.

2: Click on the button presents the right side of the particular programme.

me / I	Programme								
Pro	gramme								
#	Programme System ID	Short Code	Title English	Delivery Mode	Year Of Start	Programme Type	Level	Status	Actions
				All 🗸		All 🗸		All 🗸	
1	48	APGDBD	Advance Post Graduate Diploma(Biodiversity)	Face to face	2015	PGDIPLOMA	POST GRADUATE DIPLOMA	DRAFT	•
2	70	B.Ed Spl	Bachelor of Education(Special Education)	Face to face	2021	DEGREE	BACHELOR	ACTIVE	•

After that, the following settings will appear as follows:

Student HR Administ	ration Campus Governance Support 🗢 Settings	
• Programme Manage	Animal Science(HPKVSPP) Settings	
	Showing 1-11 of 11 items.

# **Organizational Unit**

In this, Admin can map the Organizational unit where the individual programme will run at the university campus. To add the OU in individual programme the university needs to click on the Add button and on the popup window, fill the details of Organizational Unit & Status from dropdown list and click on the

Save	button.

### **Course Structure**

In this, courses can be bifurcated on the basis of core and elective. Admin can specify what all subjects to be included in the individual programme. To create a course structure university needs to click on the Rules button and create courses groups as Compulsory and Elective or other as university wants by clicking on the Add Course(s) Group button.
